

A high-end outdoor lounge area featuring a large, light-colored concrete sectional sofa with beige cushions. In the foreground, a circular concrete fire pit contains a small fire. To the left, two wooden lounge chairs and a small wooden table are arranged. The background shows a vast mountain range under a clear sky, with a swimming pool in the lower right corner. A palm frond hangs from the top left corner.

HOMES

Your home is a reflection of who you are, what you love, and the world you want to create for your family. Your home is where your stories are made, where your stories are told. It should be your sanctuary for all of life's moments, both ordinary and extraordinary; filled with expressive elements, calming vibes and an undeniable character.

Passion for furniture, interior design and decoration has always played an important role in our family. After years of decorating and consulting on interiors for rooms, apartments and houses, we decided to open a unique furniture, interior design and decoration store in Marbella, Mijas in the South of Spain so that we could better serve our clients.
